Our Motto: People and Dogs – Living Together in Harmony

The Aegerital Dog Association was founded in March 2021.

Our planned activities:

- 1-2 times per year: fun dog activity course.
- 1-2 times per year: Newsletter to keep members up to date.
- Joint activities: Group walks, socialising, baking dog treats,...
- Expert talks e.g. on: leash rules, fireworks, dental hygiene, new dog at home,...
- Dialogue with authorities, e.g. off-leash areas, cantonal dog legislation,...
- Planned membership in the SKG (Swiss Cynological Society). This will give us access, for example, to extensive continuing education courses.

The association is being restructured

We are very happy to welcome every new member and participation on the board.

Membership fees for 1 year: CHF 40.- **Join us – together we are strong!**
